The 11th KIDS READ ANTHOLOGY

Dear Teacher,

Have you heard about Kids Read?

Kids Read is a JELLY project to encourage students to write (and draw) by offering them the incentive of publication in a real magazine, 'Kids Read'. For the past 10 years teachers have found that the prize of seeing their work in print has added an extra zest to their English classes.

You'll find all the information you need on how to get your classes involved in this motivating project below.

We are looking forward to hearing from you!

1) GUIDELINES FOR TEACHERS:

Kids Read accepts work from any 3rd to 9th grader in Israel [English or Hebrew speakers' class] to be considered for publication.

Here's the challenge - we are looking for your students' creative responses to literature (a poem or a book) in written or artwork.....

Puzzles or poems,

Quizzes or Quotes (an interview, a dialogue....)

Riddles or Rhymes,

Cartoons or Caricatures,

Pictures or Posters (book cover...) etc.

Enjoy inspiring your students!

4) YOUR OWN COPY

Teachers, and their student whose work is accepted and published in the **KIDS READ 2015** will both receive their own, individual copies.

5) KIDS READ PRESENTATION EVENING

Held in June, attended by many of the students, together with their parents and teachers- the Presentation Evening is a decided highlight of the Kids Read project.
